

Coffee tables/night tables XO with brass base OT58 mm 30x10, available in different finishes: satined, bronzed and natural/raw. Top in iron sheet painted 3 mm, available in different colors in samples collection. Possibility of 20 mm top in white Carrara marble, black marquina or dark emperador. As marble is a natural material it can show some peculiarities such as veins, slight surface irregularities, small holes, staining and inclusions of various kinds, that are not to be considered as defects but qualities which enhance the uniqueness of the product.
